This paper details the number of marriage issued over time in Toronto. Based on the analysis, there seems a slight increase in the average marriage licenses issued, however the positive correlation between marriage license and time is not extremely strong.

1 Introduction

In this paper, we looked at the number of marriage licenses over time in Toronto, from City Of Toronto OpenData. We use R Core Team (2023) and Wickham et al. (2019) to complete our analysis. We used data from Gelfand (2022)

2 Data

“ We can look at our figure about the marriage licenses issued over time in Toronto (Figure 1).
